WHAT YOU'RE SIGNING UP FOR

Pitch Bazaar is a startup competition built around **one idea**: pitches get better when they're tested on real people. You'll register your idea online, send in a video pitch, then take it to an expo floor where actual visitors poke holes in it overnight. The next day, you rebuild the pitch and defend it — first to investors, then to the full Panchayat. **Top teams go on to YUVA**, the national round.

Set up your booth and pitch to real visitors playing customer. Collect their honest feedback overnight, then use it to refine — or pivot — your idea before Day 2.
- STAGE 04

The Sampark

Work the room with a Networking Passport, trading takeaways and signatures with other founders. Most meaningful connections wins the Networking Champion award.
- STAGE 05

The Vyapar

- STAGE 06

The Panchayat

Your final, rebuilt pitch — in front of the whole Panchayat. Judged on quality and on how much you improved since Day 1. Winners announced on the spot.
